

“On Our Way to Calvary”

Every year during the season of Lent, millions of Christian pilgrims from around the world flock to the city of Jerusalem to walk the Via Dolorosa, the Way of Tears. This mile and half long cobblestone street is the route which Jesus walked, bearing the weight of the cross, to his crucifixion. Christians walk and walk again this path to remind ourselves of his suffering for us.

Our Lenten theme at First Lutheran this year is “On Our Way to Calvary.” At each of our Wednesday morning and evening services, members of our congregation are sharing the story of their walk of life and how their faith has helped them along the way. As we share stories, we are all strengthened for the rigors of our own journeys.

Come join our Lenten pilgrimage. Let us walk together in the footsteps of Christ. The way leads to the cross – and to the resurrection.

In Christ,
Pastor Jim Melvin
